Regional Economic Development Offices are partnering with the Marine Corps Systems Command (MCSC) Office of Small Business Programs and the National Defense Industrial Association (NDIA) to provide small businesses the opportunity to demonstrate their products and services to MCSC personnel and large private sector contractors in the federal procurement arena.

The full-day business conference will include:

Keynote speakers • Table Top Displays
Breakout sessions • Networking opportunities
Matchmaking opportunities** • Financing information
International trade incentive information • And much more.

Please plan to attend if you...

...are interested in federal procurement.

... need to learn the BASICS of creating teaming relationships.

...are eager to involve your company in a Mentor/Protégé relationship.

...wish to learn about Virginia exporting incentives.

This conference was created to provide a forum for education, guidance, and business assistance (specifically for small businesses) for supporting the war fighter through Program Executive Officer Land Systems (PEO LS) and Marine Corps Systems Command.
